At Acronis SCS, the US public sector is our #1 priority - in fact, it’s our only priority. We strive to ensure our customers are equipped with the operational assurance and cyber protection they need to survive and thrive in an increasingly complex cyber landscape.

**About Us**

Acronis SCS is an American cyber protection and edge data security company exclusively dedicated to meeting the unique requirements of the US public sector. Our innovative and comprehensive cyber protection, backup and disaster recovery, anti-ransomware, and enterprise file sync and share software solutions ensure operational assurance and data security across America’s federal, state and local government, education, healthcare, and nonprofit computing environments.

**Our Mission**

At Acronis SCS, the US public sector is our #1 priority - in fact, it’s our only priority. We strive to ensure our customers are equipped with the operational assurance and cyber protection they need to survive and thrive in an increasingly complex cyber landscape.
